

AFRICAN SUMMIT – 2025

Under the patronage of

The International Chamber of Commerce World Chambers Federation (ICC WCF) and The Kenya National Chamber of Commerce and Industry (KNCCI)

From April 9 to 11, 2025, the African Summit of the World Chambers Federation will take place at the Kenyatta International Conference Centre (KICC), Nairobi, Kenya. The theme of the summit will be:

"The Global Future of Africa: Integrated, Innovative, and Sustainable"

Its aim is to unlock the potential of the continent through trade, investment, and sustainable development.

This summit offers a unique opportunity to connect with global and regional leaders, discuss key issues related to trade and investment in Africa, and discover new business opportunities.

Key Highlights:

- *Panel discussions with state leaders and international experts*
- *Networking sessions between businesses*
- *Opportunities for building partnerships and strategic advocacy*
- *Innovation and the green economy*
- *Side events, including an international business roundtable, cocktail reception, and gala dinner*

Expected Outcomes:

- *Strengthened trade partnerships and accelerated investments*
- *Strategies for growth and innovation*
- *Sustainable economic policies for Africa*

Attendees:

- *Regional leaders, government representatives*
- *Chambers of commerce and business leaders*
- *Small and medium-sized enterprises (SMEs) with opportunities to connect to global markets*
- *Investors, academia, and media*

Registration:

Sign up and register on the official event website.
